VOCABULARIO
PARA LA ASIGNATURA DE INGLÉS VI
SEMESTRE 2021-A

¡Bienvenidos a este nuevo ciclo 2021-A!

Te presento el VOCABULARIO del curso.

Está dividido por semanas y debes investigarlo en tu cuaderno antes de realizar los ejercicios de cada semana en CLASSROOM, haciendo lo siguiente:

1. Anota el número de semana, tu nombre completo y tu grupo en el encabezado.
Por ejemplo: **Week 2. GONZALEZ OCAMPO MARIA / Grupo: 001.**
2. Copia la lista de palabras correspondiente a la semana de trabajo, investiga su significado en español y anótalo a un lado.
3. Prepara un archivo digital de cada trabajo de vocabulario y guárdalo con las especificaciones indicadas cada semana. Ese archivo se te pedirá en la *Evaluación Sumativa* semanal.

Las semanas 5, 9-10 y 14 no cuentan con vocabulario por ser semanas de cierre de corte.
